

Penrith MUSEUM of PRINTING

NEWS: September 2019

Visit from Japan:

Penrith Museum of Print welcomed Mr Kazututeru Arai (新井 一輝) from Japan who showed great interest.

Mr. Kaz is the General Manager of [Japan Federation of Printing Industries](#), the equivalent of the Australian PIAA.

Mr. Kaz was visiting PrinTex19 and said our Museum was excellent in as much as all machines were operational and demonstrated on a regular basis.

He stated that he had visited museums in Tokyo, Antwerp and Mainz but this one in Penrith is the most impressive. He took many pics and keen to improve our relationship.

Visit from the USA:

The Museum also welcomed [Deborah Corn](#) from the USA who helps promote Print old and new Internationally. Jean Kropper from [Paper and Pixel](#) also attended, Jean hails from North Ryde with some fascinating Paper ideas. Both were suitably impressed with what we have achieved in preserving the Letterpress era. They were also visitors to Printex19. They were hosted by [James Cryer](#), who also visited Koala Park to show Deborah some native koalas as part of their visit to Australia.
